HIGHWAY TO HELL

AC/DC

INTRO · 8 mesures

COUPLET 1

Living easy, living free
Asking nothing, leave me be
Don't need reason, don't need rhyme
Going down, party time

Season ticket on a one-way ride
Taking everything in my stride
Ain't nothing I would rather do
My friends are gonna be there too

REFRAIN

I'm on the highway to hell
Highway to hell

On the highway to hell
I'm on the highway to hell

COUPLET 2

No stop signs, speed limit
Like a wheel, gonna spin it
Hey Satan, paid my dues
Hey mama, look at me

Nobody's gonna slow me down
Nobody's gonna mess me round
Playing in a rocking band
I'm on my way to the promised land, whoo!

REFRAIN

I'm on the highway to hell
I'm on the highway to hell

Highway to hell
Highway to hell

PONT

Don't stop me!
